

Continuing Education for Your Organization

▶ Customizable Content

Geistlich Biomaterials will work with you or your organization in the design of content at an appropriate level that meets your needs.

We are approved by the Academy of General Dentistry and can provide continuing education courses (AGD PACE).

▶ Added Value – For our partners, Geistlich Biomaterials can provide and support your event with the following:

> Ease of Registration

Geistlich Biomaterials has a website page and registration site dedicated to educational courses:

- courses.geistlich-na.com
- registration.geistlich-na.com

> Marketing Materials

Development of a course flyer, email blast communication, and promotion via the Corporate Geistlich Biomaterials Facebook page.

> A Source of Clinical Information

Enrollment in Geistlich Biomaterials e-newsletter, **e-gen NEWS**, which offers relevant clinical information, guidance and education for dental professionals.

▶ Geistlich Biomaterials
